**Date & Time:** **Thursday, October 16, 2025**

4:15pm – 4:30pm – Gather at Meeting Point (River Grille Parking Lot)  
4:30pm – 5:30pm – SR 115 Over I-81 Interchange Reconfiguration Tour  
5:30pm – 6:00pm – Social Hour & Cash Bar at the River Grille  
6:00pm – 8:00pm – Dinner & Program to follow

**Speakers:** Chris Smith, PE, Mike House, PE, Steve Baird, PE & Shawn Throne, PE  
• All speakers are from Modjeski & Masters.

**Place:** Tour Meeting location: 670 S River St, Wilkes-Barre, PA 18702  
Dinner to be held at:  
River Grille – 670 S River St, Wilkes-Barre, PA 18702

Tour is limited to 30 people, so reservations will be on a first-come, first-served basis. Additional dinner-only attendees can be accommodated.

**Price:** \$50 per Person (Price Includes Tax and Tip)  
\$20 per Person (Government / State Employees)

**Reservations:** Register Online at <http://www.nepenn.ashe.pro/registration.php>  
Deadline to Register is Friday October 10, 2025

**Meeting Sponsor:** Register Online at <http://www.nepenn.ashe.pro/registration.php>  
Meeting sponsors will be announced and recognized at the meeting.  
Please email your logo to Michael Dudinyak ([mdudinyak@benesch.com](mailto:mdudinyak@benesch.com))  
Meeting Sponsorship cost is \$100.

**Safety:** Tour attendees will need to bring hard hat, safety vest, Safety Glasses and appropriate footwear (hiking or work boots – no open-toe shoes or sandals) suitable for the construction site. Attendees will be required to sign a waiver before being permitted to enter the worksite. Waivers will be provided for all guests that sign up.

***nepenn.ashe.pro***

**Carpooling:** Due to limited space on site, we will be carpooling from the River Grille parking lot to the construction site and back. We will leave promptly at 4:30pm.

### **Project Description**

The Route 115 over Interstate 81 bridge replacement project consists of the replacement of the three existing bridges within the Interstate 81 and Route 115 interchange, the re-alignment of Route 115/309 Southbound and Route 8015 Ramps E, H, and K; and the construction of a new ramp (E-spur) to provide a connection from Route 115/309 Northbound to Interstate 81 Southbound. Route 115/309 Southbound will be re-aligned adjacent to the Northbound alignment and the old Southbound alignment will be used for a portion of the Ramp E-spur alignment. In addition to the bridge replacements and retaining wall construction, roadway work consists of the reconstruction of Route 115/309 and the Route 8015 Interchange Ramps to accommodate grade and alignment changes.
